

TOWN OF WILBUR **PUBLIC NOTICE**

- Due to a glitch in the Town of Wilbur's utility software, accounts were overcharged for water usage in the most recent billing cycle.
- If you have already paid your utility bill, a credit will appear on next month's bill. All other accounts have been updated to reflect the correct charges.
- If you would like to know the correct amount owed on this month's utility bill, call 509-647-5821 or stop by Town Hall during regular hours of Monday-Friday, 9-4. Overpaid accounts will reflect a credit next month.
- We apologize for the error.
