NEW BUSINESS

Goose Creek Letter - Melissa Bulger advised council that she had reached out to the owners of Goose Creek RV to get a better understanding of what their concerns were. The main concern is the allowing of long-term renters in the other RV park in Town that has recently purchased a piece of property to expand with the idea of having more long-term spaces available. The current Town ordinance needs to be looked at. Nichole Curtis made a motion to table this topic until the next meeting to allow time to do more research and to consult with the Town attorney, Joel Krause seconded, all were in favor.

Vandalism at Town Park - Mayor Hearrean spoke of the recent vandalism in the Town Park, she advised council that the Sheriff's office was contact, and the damages were reported. All Council members agreed that the Town needs to look into installing new cameras in the park and possibly out at the cemetery as Town Hall had been advised earlier in the day that someone tried to break into the shed.

Options to resolve speeding complaints - Melissa Bulger explained that there is an increase in complaints regarding speeding in Town limits and wanted to discuss options to mitigate this concern. Melissa is going to call the sheriff's office to see if they have a radar that takes pictures that could possibly be used on various problem streets.

Process to file nuisances - A short list of steps to take to report nuisances/complaints to Town Hall were given to Council to look over. This will be put out for publication and online so that citizens will know how to file.

Discussion on Tiny Homes – topic was tabled until the next council meeting.

Large Truck Purchase – tabled until a later council meeting.

Engineer Project Update – A current project list was provided to council.

Foreman’s Report – Roy Scheibner read aloud the April report.
